

FILL PERMIT

NAME: _____
ADDRESS: _____
TAX ACCOUNT NO. _____

CONDITIONS OF APPROVAL

1. Fill Permit shall expire _____.
2. Fill is to be leveled off and seeded as soon as fill operation is completed.
3. Fill is to be placed so as not to block existing drainage patterns through this lot and adjoining parcels.
4. Roads adjacent to the project are to be kept clean of fill material. Any damage to roads, storm sewers, etc. is the responsibility of the property owner.
5. Neighboring properties will not be endangered or impacted in any way by the fill operation.
6. The Owner of the property shall indemnify and hold harmless the Town of any claims or damages arising from such filling.
7. All topsoil shall be stripped, stockpiled, and remain on site until project completion. Topsoil stockpiled for more than one season shall be seeded to prevent erosion. All topsoil shall be replaced over the fill area at the end of the project.
8. Do not fill all the way to the property lines, swales to be constructed per attached plan.
9. Erosion control to be established per attached plan. Erosion control to remain in place and periodically maintained until fill operation is complete and permanent vegetation cover has been established.
10. Fill material brought into the site shall be certified and logged as to place or origin and contamination free.
11. No fill material will be permitted within 150 feet of existing wetlands and residential properties.
12. No filling will be allowed south of the NYS Thruway (90) without proper NYS Thruway Authority permitting.
13. All wetlands are to be delineated.

PERMIT AGREEMENT

In obtaining a Fill Permit from the Town, drainage plans must be submitted to the Engineering Department for review and approval. The permit is issued with the following stipulation:

If problems do arise from the filling operation, the Owner or his agent shall remedy the situation as soon as possible, if not, the Town reserves the right to correct such problems and back charge the Owner. If the Owner refused to accept financial responsibility, the cost of remedial action shall be placed on the tax rolls against said property.

EXPLANATION OF OPERATION

(Type of project, how much fill, where fill is coming from, etc.)
