Dear Friend of the Kiker Community:

Thank you for your consideration of supporting Kiker Elementary's 13th annual fundraiser. The **Dinner, Dance and Auction** will be held at Creekside Pavilion on **Sunday, April 24, 2016**.

Kiker is able to create individualized learning plans for every student while providing an enriched curriculum for every student, only because of partnerships with and contributions of parents, local individuals, businesses, and organizations such as you. The funds that are raised will allow us to provide some or all of the following (listed in no particular order):

Reading, Math and Enrichment Specialists for grades K – 5

- Our specialists work with our classroom teachers so that ALL children can receive targeted instruction and intensive support if necessary.

Raz - Kids Subscription K – 2

- Early intervention works to provide, reinforce and enhance reading skills in younger grades. This program will allow students to be able to find and read books that are on their reading level and work on comprehension skills.

Faculty & Staff Continuing Education

- Faculty and staff development continuing education is critical. The staff at Kiker has been fortunate to attend various workshops. These workshops benefit the students directly and teachers are able to share tools learned.

Scholarships for students

- Students of families who are not able to cover their enrichment fees receive scholarships through these funds.

The Kiker Community will benefit greatly from your generosity and we truly appreciate your support! Please note that all contributions are tax-deductible. Kiker will provide a letter documenting your support after the event. Please keep the letter as certification that the contribution is tax-deductible. Again, thank you for supporting Kiker Elementary. You may contact Andrea Bredl at 512-414-2584 (andrea.bredl@austinisd.org) to notify us of your support or if you have any questions.
