Dear Community Relations:

The Irvine High School Grad Night Committee is now planning a night for our 2012 graduating class to celebrate their years at Irvine High School. On the night of June 20, 2012, our seniors will be bused to Dave & Busters, where a safe, drug and alcohol free environment will be provided. There will be entertainment beyond the traditional Dave & Busters activities, including music, games and food. The night is organized and supervised by volunteers of the Irvine PTSA. This party allows the seniors to celebrate their accomplishments, their friendships and the great times they have shared together.

In order to make this evening a success, we need the support of many of our corporate friends. Since we want all students to participate in Grad Night, the price we charge does not cover all of the expenses incurred to make this night memorable. We would like you to team with us by donating a gift certificate or tangible item to be given away as a door prize or a cash/in-kind donation to help defray the cost of the event. An event this size requires many resources.

Our nonprofit tax identification number is 68-0167484.

All donations will be recognized in the graduation program provided to all who attend ceremony. Our website: ihsgradnite.tripod.com will thank you with your logo and link on the home page. All senior parents and students will be viewing the website throughout the school year for updates on who's going. During the summer months after graduation Irvine High School's electronic billboard will recognize our donors to the surrounding community.

Donations may be sent to:
