Information about The Buck Mansion

Address: 225 Buck Avenue, Vacaville, CA 95688

Phone: (707) 446-7700

Website: <http://www.buckfoundation.org>

The Buck Mansion was built in 1891 and is listed on the National Register of Historic Places and currently serves as the offices for the Buck Foundation.

The Buck family settled in Vacaville in 1874 and formed the FRANK H. BUCK COMPANY, a fruit grower and packager, in 1886. The company grew a variety of fruit, including cherries, grapes and citrus, and became best known for their peaches and pears. The Buck Company contributed to the development of the refrigerated train car and was the first U.S. company to ship fruit both nationally and globally. The Great Depression was a contributing factor that prompted the family to sell the company in 1933.

Gates & Parking

Please enter through the double-driveway gate located on Buck Ave. next to the Vacaville Museum. There is no parking on the property so attendees will have to find parking on the streets.
