	0081	Ni mber and street		
4	່ .300	Cit,	0083	Province or State
	4ر نا0	Country	0085	Postal code / Zip code

A - Information for Respondents

This annual survey of traveller accommodation businesses and outcome during the statistical content of traveller accommodation businesses and outcome during the statistical content of and economic analysis of the industries as mandated by the avency to fulfill the demand of many users. The results of the survey are used by business operators and associations for market analysis and associations and associations are market analysis and associations are market analysis and association and associations are market analysis and associations and associations are market analysis and associations are market analysis and associations are market analysis and association and association and association and association and association are market analysis and association and association and association and association and association and association and associatio develop national and regional economic policies, Vagencies such as the Canadian Tourism Commission for analysis and policy making and for providing valuable statistics and information feedback of the industries, and by Statistics Canada for maintaining important data input to the preparation of the Canadian System of National Accounts

Survey Reporting Unit

The reporting unit for this survey quistionnaire is the business operating establishment (accommodation property) of the traveller accommodation businesses. The operating establishment may be owned by a corporation, a sole proprietor, a limited partnership or a joint-venture partnership. The identification of such legal entity and an experience of this operating establishment have been labelled in this questionnaire. Please make corrections or additions to the label above if necessary.

Statistics Canada is promitted by law from publishing any statistics which would divulge information relating to any identifiable business without the previous written consent of that business. The data reported on this questionnaire will be treated in strict confidence, used for statistical purposes, and published in aggregate form only. The confidentiality provisions of the Statistics Act are not affected by either the Access to Information Act or by any other legislation.

Data Sharing Agreements

In an effort to reduce reporting burden and to provide consistent statistics, Statistics Canada has entered into data sharing agreements with the statistical agencies of Quebec, Manitoba and British Columbia under Section 11 of the Statistics Act. For business locations operated in Quebec, Manitoba and British Columbia, the agreements authorize Statistics Canada to forward a copy of the data collected in this survey to the statistical agencies of these provinces. The Statistics Acts of these provinces include the same provisions for confidentiality and penalties for disclosure of information as the federal Statistics Act. As well, Statistics Canada has entered into a data sharing agreement with the Canadian Tourism Commission under Section 12 of the Statistics Act for the sharing of information from this survey. Under Section 12 of the Statistics Act you may refuse to share your information with the Canadian Tourism Commission by writing to the Chief Statistician and returning your letter of objection along with the completed questionnaire in the enclosed return envelope. The agreement with the Canadian Tourism Commission requires that they keep the information confidential and use it only for statistical and research purposes.

Fax or Other Electronic Transmission Disclosure

Statistics Canada advises you that there could be a risk of disclosure during the facsimile or other electronic transmission. However, upon receipt, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the Statistics Act.
