

**SIGN UP SHEET**  
**LYC SEMINAR SERIES**  
FACILITATED BY UNITED STATES POWER SQUADRONS

**Saturday, March 16, 2013**  
**Helm Club**

**Marine Radar**  
Time 10:00 AM

The Marine Radar seminar covers how radar functions, radar selection, operation of the radar under various conditions including setting of controls, display interpretation, basic navigation, and collision avoidance using radar. The participant kit includes The Radar Book written by Kevin Monahan (\$25 retail) and Student Notes with copies of the presentation slides.

**Partner in Command**  
Time 1:30 PM

The Partner in Command seminar is designed to provide the essential information one may require to assist a skipper in the safe operation of a recreational boat. In less than 2 hours you will learn important details about: Communications, Safety and Safety Equipment, First Aid, Tool Kits, Signaling Equipment, Starting and Running the Engines, Calling for Help and much more.
