Happy Valentine's Day

February, the month of Love, a wonderful subject for art.

President's Message

This month, paint what you love, who you love, or where you love. When you paint something you love, it shows. Your emotions will emanate from the painting, telling the viewer that you truly enjoy the subject and how you transferred your ideas to the paper. I love light and transparency and try to capture them in my paintings.

Trump It copyright Diane Lary

When you view art, look for the "je ne sais quoi" in what others paint. Is there a spark or a feeling that captures your eye or maybe even your heart? That is the power of art. That power comes in infinite forms; emotions, imagination, technique, experimentation... and I believe it is an essential component of any painting. Paint your love, love your painting.

Painting, a stroke of genius,

Diane Lary
MWS President
