Board of Accountancy

RULE NO.: RULE TITLE:

61H1-28.0052: Number of Sittings, and Granting of Credit, Release of Grades and Completion of Examination, Transition Rules

The Board of Accountancy hereby gives notice of the issuance of an Order regarding the Petition for Waiver or Variance, filed on May 14, 2013, by Zophia Sas. The Notice of Petition for Waiver or Variance was published in Vol. 39, No. 101, of the May 23, 2013, Florida Administrative Register. Petitioner sought a waiver or variance of paragraph 61H1-28.0052(1)(b), F.A.C., entitled “Number of Sittings, and Granting of Credit, Release of Grades and Completion of Examination, Transition Rules,” that requires candidates to pass all four test sections of the CPA Examination within a rolling eighteen-month period, which begins on the NASBA grade release date for the first test section(s) passed. The Board considered the instant Petition at a duly-noticed public meeting, held June 14, 2013, in Tampa, Florida.

The Board’s Order, filed on July 19, 2013, granted the petition finding that Petitioner had established that the purpose of the underlying statute, Section 473.306, Florida Statutes, would be met by granting a variance from paragraph 61H1-28.0052(1)(b), F.A.C. The Board further found that Petitioner established that applying the requirements of the aforementioned rule to her circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Veloria Kelly, Division Director, Board of Accountancy, 240 NW 76th Dr., Suite A, Gainesville, Florida 32607.

Board of Accountancy

RULE NO.: RULE TITLE:

61H1-28.0052: Number of Sittings, and Granting of Credit, Release of Grades and Completion of Examination, Transition Rules

The Board of Accountancy hereby gives notice of the issuance of an Order regarding the Petition for Waiver or Variance, filed on April 18, 2013, by Christopher R. Dingman. The Notice of Petition for Waiver or Variance was published in Vol. 39, No. 81, of the April 25, 2013, Florida Administrative Register. Petitioner sought a waiver or variance of subsection 61H1-28.0052(2), F.A.C., entitled “Number of Sittings, and

Granting of Credit, Release of Grades and Completion of Examination, Transition Rules,” which provides that a candidate shall be deemed to have passed the CPA Examination when the candidate has been granted credit for all sections of the CPA Examination. Upon certification of examination scores by the Board to the Department that the applicant has met all licensure requirements as imposed by Chapters 455 and 473, F.S., and the rules promulgated pursuant thereto, the Department shall issue a license to practice public accounting to such individual. However, in no event shall an initial license be issued if the initial licensure fees and all required documents are not received within 36 months of the date of certification of examination scores by the Board; in such case, the certification expires and the applicant may reapply for licensure by endorsement, pursuant to Section 473.308(7)(a), F.S. The Board considered the instant Petition at a duly-noticed public meeting, held June 14, 2013, in Tampa, Florida.

The Board’s Order, filed on July 19, 2013, granted the petition finding that Petitioner had established that the purpose of the underlying statute, Section 473.306, Florida Statutes, would be met by granting a variance from paragraph 61H1-28.0052(1)(b), F.A.C. The Board further found that Petitioner established that applying the requirements of the aforementioned rule to his circumstances would violate principles of fairness and impose substantial hardship.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: 62-610.462
RULE TITLE: Reliability and Operator Staffing

The Department of Environmental Protection hereby gives notice: that on July 1, 2013, the Department issued an order granting a variance to the Town of Lake Placid (Petitioner) for its North wastewater treatment plant located at 131 John Smoak Road, Lake Placid, FL 33852, in Highlands County. The petition was received on January 31, 2013, and the notice of receipt of this petition was published in the Florida Administrative Register on April 29, 2013. The petition requested a variance from subsection 62-610.462(3), F.A.C. Subsection 62-610.462(3), F.A.C., requires staffing by a Class C operator 6 hours per day, 7 days per week at the Petitioner's wastewater treatment plant. Although the Petitioner requested a permanent variance from those minimum staffing requirements the Department limited the duration of the variance to coincide with the remaining duration of Petitioner's current permit, which expires on May 7, 2017. Petitioner requested that the staffing requirement be reduced

to 6 hours a day for 5 days a week with a one-hour weekend visit. No public comment was received. The Order, OGC File No. 13-0055, granted the Petition for the variance to reduce the staffing requirement to 6 hours a day for 5 days a week with a one hour weekend visit, based on a showing that Petitioner demonstrated that a strict application of the rule would result in substantial hardship to Petitioner or would affect Petitioner differently than other similarly situated applicants and because Petitioner had successfully fulfilled the requirements of the underlying statute.

A copy of the Order or additional information may be obtained by contacting: Gary Maier, DEP South District Office, P. O. Box 2549, Fort Myers, FL 33902-2549; (239)344-5664, gary.maier@dep.state.fl.us.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
 Beaches and Coastal Systems
NOTICE OF AVAILABILITY OF EAST PASS INLET MANAGEMENT STUDY IMPLEMENTATION PLAN
 The Florida Department of Environmental Protection (Department) announces the availability and adoption of the East Pass Inlet Management Study Implementation Plan. Summary of the East Pass Inlet Management Study Implementation Plan: Pursuant to Subsection 161.101(2), F.S., the Department is the beach and shore preservation authority for the State of Florida. As part of the beach management plan adopted pursuant to Section 161.161, F.S., the Department is adopting this inlet management plan for East Pass in Okaloosa

County, Florida. This plan updates an existing plan for East Pass due to changes in Section 161.142, F.S., and to make the plan consistent with current statutes and observed erosion conditions of the adjacent beaches. Future inlet management activities shall be consistent with the strategies set forth in the Inlet Management Plan. To obtain a copy of the East Pass Inlet Management Study Implementation Plan, visit http://www.dep.state.fl.us/beaches/publications/index.htm#Inlet_Management or contact Kamie Carney, Department of Environmental Protection, telephone (850)488-7816, email kamie.carney@dep.state.fl.us.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Mediation under Section 120.573, F.S., is not available.

Because the administrative hearing process is designed to redetermine final agency action on the adoption, the filing of a petition for an administrative hearing may result in a modification of the agency action. If a sufficient petition for an administrative hearing or request for an extension of time to file a petition is timely filed, this agency action automatically becomes only proposed agency action on the adoption of the Inlet Management Plan, subject to the result of the administrative review process.

Under subsections 28-106.111(3) and 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

In the event that a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Any intervention will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with Rules 28-106.111 and 62-110.106, F.A.C., petitions for an administrative hearing by the applicant must be filed within 21 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 21 days of publication of the notice or within 21 days of receipt of the written notice, whichever occurs first.

Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 21 days of receipt of such notice, regardless of the date of publication.

The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; and (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's

proposed action; (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This action is final and effective on the date filed with the Clerk of the Department unless a petition is filed in accordance with the above. Upon the timely filing of a petition

this order will not be effective until further order of the Department.

This action constitutes an order of the Department. The applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida, 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the final order is filed with the Clerk of the Department.
