Introducing Today's Sermon

Outreach 101- The Great Commission *Pray - Invest - Invite*

If we are to be faithful and obedient disciples of our Lord Jesus Christ, we cannot neglect what the Lord of the church has commanded us to do: to go into all the world to preach the Gospel and to make disciples of all nations (Matt. 28:18-20).

The Great Commission is foundational to the purpose of the church. Our primary purpose is to glorify God and to worship Him through our daily obedience and service in every sphere of life. Another purpose of the church is to nurture and edify God's people into maturity and equip them for service by teaching them the Scriptures. A third purpose of the church is to take the Gospel to the nations as we live our lives in this world and await our Lord's return. The Great Commission emphasizes the last two purposes. However, edification and witness can never be divorced from our worship of God.

So ultimately, our church's health and vitality is evaluated by the Great Commission.

How are we going to take the Gospel to the nations? By praying, investing, and inviting.

PROCEDURE INFORMATION

1. If the alarm goes off, **LEAVE THE BUILDING IMMEDIATELY** by way of the nearest exit.
2. Do not move to other areas of the building. EXIT the building.
3. Once outside, stay clear of the main entrance walks and the drop off loops so fire trucks and personnel can move freely.
4. Do not attempt to collect children from their classes.
 - *The children and their leaders will also move out of the nearest exit, usually right out of their classrooms.*
 - *Teachers will take attendance and keep their groups together until designated parents check them out.*
 - *Only staff and deacons should report to children's wings to assist in evacuation.*
5. The fire department and proper staff will be moving as quickly as possible to identify any problem. They will announce an "all clear" as quickly as can safely be done. Then activities may resume.

We have got some exciting news for you! January 2014 was CompassCare's best January EVER, by far and away. There was **73% increase** in the number of women calling CompassCare compared to January last year. Which translated **78% more lives saved** than last year. In raw numbers that is **17 lives saved** in January alone. February is tracking at the same pace. Praise the Lord for what He is doing through CompassCare to save women and their pre-born babies, in our community.

CompassCare's Walk for Life will be on Saturday, May 3, this year at Highland Bowl. Please save this date on your calendar and consider what you can do to save the lives of the unborn. There will be more information to follow. Thank you for all you do to help CompassCare in their effort to erase the need for abortion in our area and around the country.
