SCHOOLS SPECTACULAR 2014

It is with a huge amount of disappointment that I have to inform all the students who auditioned in either the combined dance or combined choir, that we have been unsuccessful in our bid to be a part of this year's show. The organisers and selectors regret that not all schools that audition are accepted into the show. Thousands of schools try out each year to be a part of this amazing show and unfortunately we have missed out this year.

I would like to personally thank Jess Gray who choreographed our dance routine and assisted with the training of the dance group as they learned their routine for the audition. I would also like to thank all the choir and dance students for their individual commitment and hard work in preparation for the audition tapes.

Well done everyone and we will try again next year.

A Sea of Colour – Flying Start News

Colours flashed in the Kindergarten classroom on Monday when Flying Start children danced to the music of *Under the Sea*. We talked about the different kinds of animals that live in the sea. We came up with many examples such as fish, octopus, sharks, dolphins and crabs. We created jellyfish to swim in our sea after we listened to the story of *Mr Seahorse* by Eric Carle.

Jellyfish sway vividly as the *Flying Start* children dance.

Evelyn Dark and Erik Skelly display their gorgeous jellyfish.

Jack Haynes, Connor Potts, Charlie McGregor, Tynen Long, Michael Foster and Reece Allport sort out the car garage.

Alyssa Huang prepares to enjoy a story as Dustin Carr uses technology during activity time.

Phoebe Murray, Joe Stephenson and Connor Potts take time to share a tea party at *Flying Start*.

Library Happenings

Magic Monday

What a turn out there was on Monday! Keen magicians came up to the library to dazzle us with their magic tricks. A magician made one circle of paper into two with just a pair of scissors. Plenty of budding magicians were able to find our card in a pack of playing cards without peeking. Amazing! The aim of the Year 6 library monitors was to read and follow magic procedures step by step to present to an audience. This gave the monitors a purpose for their reading. There are many more procedure books available to take home from the library, such as,

Drawing
Yoyo tricks
Making cards
Lego building
Cooking

So come and find a book to inspire you to read and learn something new.

Congratulations Year 5, you are our Best Borrowers for this week!

Mrs Lyons

In front of a captivated audience Samuel McGregor demonstrates his magic trick with the assistance of George Lee.

Pyjama Day – Raising Asthma Awareness

Thank you to everybody, including students, staff and canteen ladies, who wore their pyjamas last Friday. The day was held to support Asthma Australia and the money raised will go towards helping people with this chronic condition.

Kindergarten found it entertaining wearing their pyjamas to school.

Celebrating Reconciliation

National Reconciliation Week is celebrated across Australia each year between 27 May and 3 June.

Over the past week in our classes we have had the opportunity to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.

We sang the National Anthem in Indigenous *Kutji* language together on Friday at our assembly.

Betsy Willis, Maddy Wray, Charlie Colley and Jack Speer display the artworks they made when learning about Australia's Indigenous culture.

Health Excursion

Year 5 will be walking to the Crookwell IGA next Thursday as part of our Term 2 health unit. We are studying food groups and how packaging can disguise elements in foods that aren't conducive to good health. There isn't any cost however students need to return the permission slip by next Thursday 12th June.

Football Gala Day

On Wednesday, Crookwell Public School was represented by a senior boys and senior girls team in the Goulburn Football Gala day, held at Cookbundoon Sporting Fields. Thankfully the weather was pleasant which made for good playing conditions.

The boys team won their first match against Goulburn Public School 4 – 0, with goals scored by Oscar Rose, Patrick McAlister and Zac McGregor. The girls also won their first match against Goulburn Public School 7 – 0, with goals scored by Annika Picker, Mikeely Gray and Zandalee Reeves. Both teams lost subsequent matches later in the day but kept their spirits high, represented our school with pride and showed true sportsmanship.

A big thankyou to the parents, who transported the students to the event, and stayed to cheer on and support our teams.

A special thankyou to Alex Rose and Tracey Picker, who coached our teams, before and on the day.

Yesterday the 5th June was the last of the street stalls and wood raffles organised to subsidise the Stage 1 History Excursion to Calthorpes Historical Cottage and Mugga Mugga on the 26th August. This event proved to be another success raising over \$600.

I would like to say a big **thank you** to the Crookwell Public School parents and members of the wider community of Crookwell who generously gave up their time to make delicious homemade goodies and to take time out of their busy lives to sell raffle tickets for the wood raffle. Your support of both street stalls has been outstanding. They simply would not have been possible without your assistance.

A big thank you to the Robertson family and the McCormack family for donating wood for both wood raffles.

The lucky winner of this week's wood raffle was Mrs Judy Stephenson. Congratulations Judy!

School Attendance ...Remember

- Students need to attend school regularly to make the most of educational opportunities.
- There is a direct link between school attendance and achievement later in life.
- Poor patterns of attendance in the early years lead to poor patterns of attendance throughout the school years.
- Poor attendance makes it difficult for children to form positive relationships with their peers.
- When young people are in school every day, they are safer and less likely to be victims of crime, or become involved in crime.

School Banking Program

Just a reminder that every Friday is school banking day. There has been a great response to the program so far with 56 students registered for school banking.

It's never too late to start banking. There is no minimum deposit and a Youth Saver bank account can be opened at any time through any branch of the Commonwealth Bank. If you are opening a new account, please make sure that you make your first deposit through the school banking program to earn the school extra commission. 1. Visit a Commonwealth Bank branch with ID for yourself and your child (i.e. birth certificate);
2. Call the bank on 13 2221;
3. Download a form from commbank.com.au/youthsaverapplication; or
4. If you are already an existing Commonwealth Bank customer, log into NetBank, go to the "Offers and Apply" tab, click "Accounts" and "Youthsaver". From there just select Crookwell Public School, and have your child's birth certificate on hand for ID purposes.

Please note: When sending deposits to school in your child's deposit book, can you please make sure that you complete all details, including the amount to be deposited and the deposit stub, in the deposit book. Deposits cannot be processed if the deposit slip is not filled out correctly. Your assistance is greatly appreciated.
