**Upper School Science Field Trip Permission Form**

On **Monday, February 29<sup>th</sup> 2016**, the Chemistry class has an exciting opportunity to take a field trip to the Museum of Fine Arts (MFA) for a tour on the history of photography, which relates to lessons on photographic chemical reactions and color. The field trip is a required component of the course curriculum. Students who are late to school and are therefore unexcused from the field trip will report to school in uniform and go their regular math and language classes on Monday, and they will use the other periods to complete alternative assignments.

**Transportation:** Students will either come directly to the Ruggles T station by 9:15 am and be dismissed from Ruggles at 1:30 PM, or travel leaving BTA at 8:05 AM with chaperones, using public transportation and returning to BTA by 2:30 PM.

**Clothing:**

Students are not required to wear school uniforms; however, clothing must be business casual and appropriate.

**Electronic Devices:**

The only electronic devices allowed are cell phones and cameras. Students may **not** bring iPods and MP3 players or other electronic toys. The chaperones will not be responsible for any lost items during the field trip.

**Money and Lunch**

Students must bring a lunch to the field trip. In addition, students may want to bring about **\$15 to cover transportation cost and possibly purchase a snack/drink at Ruggles. No food will be available to purchase at the Museum per museum policies.** The exact transportation costs will depend on the use of Charlie cards, passes, etc.

**Due Date**

Each student must turn in the following **by Wednesday, February 24<sup>th</sup>** to Mr. Sucher. Students who do not turn in the form and/or fee will have the fee charged to their student account and will be required to travel with the chaperones using the general permission form already on file at the school office.
