New Packages and Admissions for 2011!

With the exciting new additions to Big Splash, Bingemans has made some changes to the pricing and packages in order to reflect the appropriate usage of the attractions. Many of the slides have a minimum height requirement of 48" in order to be able to use them. As a result, passes will be sold based upon a person's height rather than their age (48" tall and over OR under 48"). Children under age 2 will remain as complimentary guests with one paid admission. In addition to this new change, we are also excited to announce that the Big Splash Pass will include more activities than ever before! Included below is a breakdown of what the pass includes. Please be aware of these changes when purchasing your Consignment Tickets.

BIG SPLASH PASS

Under 48" includes: one all day unlimited use of the heated wave pool, Spray 'N' Play (our water park for kids), the FunworX 3-level play structure, outdoor mini golf, Hole In Fun glow-in-the-dark mini golf, and Rocks & Ropes course.

48" and Over includes: All of the above **PLUS** The Pipe, The Cyclone, Torpedo Bay, Boomerango and Full Throttle water slides!
