

2011 SPONSORSHIP PROGRAM

The JACKSON FASTPITCH ASSOCIATION (JFA) is a non-profit community group dedicated to providing fastpitch softball opportunities for girls of all ages and experience levels. Our organization is dedicated only to fastpitch softball - the only softball played at the high school, collegiate, Olympic, and professional level, and the only softball played by most of the other communities in Stark County. In addition to providing Spring ball teams for all ages 6 to 14, the JFA provides clinics, winter training programs, and group and private lessons. This is JFA's eleventh year of providing fastpitch opportunities for Jackson girls. Our tenth year with nearly 175 girls, was a success, in no small part due to the community sponsorship last year.

JFA is looking for **community minded businesses and individuals** who share our dedication to providing fastpitch playing opportunities to our players. We are in need of capital to construct a training facility, purchase pitching machines, catching equipment, bats, and other capital items that can be used over a number of years. Your tax-deductible contribution will help fund our association and make our girls' efforts on the field a success.

SPONSORS (\$250.00) will have your company name and logo placed on an individual banner that will be displayed on our homerun fence at field #15 in the Jackson North Park, adjacent to viewable from the walking track.

In addition, your company will be displayed on our website www.jacksonsoftball.com. If you have a company website, we can add a link from our site to yours.

Please consider helping us to help our Jackson youth.
