

Chinese Language Enrichment Program

Dear Preschool Place and Kindergarten parents,

February 4, 2013

新年快樂！ (xin nian kuai le). Happy Chinese New Year!

The Chinese Language Class – Fall Session is almost completed. We are going to have a Chinese New Year Celebration party this Friday, Feb. 8. The children will have a little taste of the festival excitement of the Chinese New Year. It has been a fruitful session! We had a wonderful time!

During these past twelve weeks, the children who were in the program have been involved in learning the basic words and sentences of Mandarin Chinese with great enthusiasm and fun. We learned the greetings, good-bye, family members, numbers (1- 10 +), basic colors, our body parts, directions and etc. We also learn few basic sentence patterns. Our classroom is always full of action and fun. The children have learned several Chinese children songs, paper crafts and games. We made our own Lion Dance masks as part of Chinese New Year celebration. The progress for the children is amazing and I am so proud of every one of them.

I would like to invite your child to join me for more Chinese language and culture fun in the next Winter/Spring Session – another 12 weeks of Chinese Language class adventure. Again, we will fill each lesson with fun and adventure of Chinese language and culture. **All NEW students are welcome!!** With carefully design curriculum, children will start learning right away and without any gap problem. Any question, please contact me at kidstalkinternational@yahoo.com. Looking forward to meeting your kids in the Chinese Language class!
