COMING TO NORBUCK PARK
JULY 10, 2011

Celebrating 15 Years of Beating the Summer Heat!

The marquee summer time race in Dallas is the Too Hot To Handle 15K and 5K at Norbuck Park on White Rock Lake. Runners come by the thousands to celebrate summer by running one of two separate courses hugging the shoreline of white rock lake...all followed by great food and cold drinks.

Voted as the event with the “Best Swag” by readers of Competitor Magazine in 2009, runners always look forward to New Balance technical race shirts and custom race give-aways. Cooling fans, cold beer, great music and fun energy... this is the high point on the Summer Running Calendar.
