RELEASE IN PART
B5, B6

Here's what I sent her. Since this is to her personal email, I would just follow up with others on any points that might be of interest. Susan O'Sullivan whom I mentioned in the email is in DRL. She is a China human rights specialist. She helped us put HRC's panel discussions together with women in 1998. She also helped us enormously when we honored the Chinese women in DC in 2006. She is ready resource. When I come in today, I will bring the contact information I have. The suggestions will have to be taken up with the experts there, of course.

I wanted to raise a few issues regarding your upcoming trip.

China - the state of female migrant workers is looming as a big challenge and exacerbated by the economic downturn. About half of the 130 million migrant workers are women. The Chinese government just announced that 20 million migrant workers have lost jobs. Women's fate is compounded by the fact that 85 million are reported suffering from domestic violence and an unknown number are victims of trafficking. According to the All China Women's Federation, 1/3 of China's 267 million families have witnessed domestic violence and 94% are of the victims are women. A Chinese court in 2008 issued the first ever protective order to a domestic violence victim ...so far 6 have been issued in 3 localities. A central government document now mandates police to respond to DV complaints made through hotlines and mandate the All-China Women's Federation to establish DV hotlines throughout the country. The All-China Women's Federation is committed to getting a domestic violence law approved this year. Also China has finally issued the national action plan on combating trafficking in women and children to adopt a comprehensive approach to trafficking. They have a long way to go but this represents progress.

Finally on HIV/AIDS

ZENG JINYAN is the wife of the famous HIV/AIDS activist and detainee Hu Jia who was nominated for a Nobel Peace Prize. Sec. Rice raised his

case in 2008 as he has been detained since 2007 for testifying on TV for the EU about China's human rights situation.

Zheng, his wife, was selected by TIME as one of the 100 most influential people in the world.

She is under house arrest with her 2 year-old daughter for speaking out on behalf of her husband.

I don't know where DRL and the China desk come down on all of this, but I thought you'd want to know.

Japan - The DCM, James Zumwalt, is the Charge. He is terrific. His wife, ANN KAMBARA [REDACTED]

[REDACTED] She had me do a speaking tour in different parts of Japan for the embassy and I learned a great deal about the rather nascent state of civil society and the strictures on young women to leave the work force once they become mothers. This is creating a real problem as the birth rate there is dropping significantly.

I'm sorry to put this in an email as opposed to a more readable memo. If you need anything additional on any of this, I'm happy to do what I can.

Have a productive trip.

We have already started checking into the NSA bb. Will set up the office across the hall as requested. Also think we should go ahead (but will await your green light) and set up a stand alone PC in the Secretary's office, connected to the internet (but not through our system) to enable her to check her emails from her desk. so I have now read up more on POTUS' bb (which appears not really to be a bb but a different device).

is there any solution to her being able to use an encrypted bb like the nsa approved one he has in the vault and if so, how can we get her one.

and if not, let's set up the office across the hall for her to use – it needs a phone etc. so she can go across the hall to check her bb.

On the bb for hrc, can we chat this morning? I may have thought of a workaround but need more info on her bb use from you.

Lew -

who can I talk to about:

1. can our email be accessed remotely through the web using a non-DOS computer like my laptop?
2. I am traveling to the M-E tonight – will my DOS bb work there and is there a cell phone attached?
3. spoke to Dan re: bb for HRC (and reports that POTUS is able to use a super encrypted one which)
4. spoke to Dan re: setting up Counselor office for HRC so she can go across hall regularly and check her email.
