SUNDAY SCHOOL

Every Sunday except Family/Youth Mass (held first Sunday of each month)

Dear Parents and Caregivers,
Who can believe that the term is nearly over and holidays are only a week away. WOW - not only has it gone fast but it has contained so much.

This term we have centred our work on focussing on the aspect of our Vision Statement that calls us to be "Heart-filled people of faith". We have lived this out in so many ways.

A special way we will live this out is through the celebration of the **Feast of the Sacred Heart** which we celebrate tomorrow. You are warmly invited to join us for Mass (Friday 27th June) at 11am in the Sacred Heart Centre. This Feast reminds us of the endless love of God as experienced through the life and death of Jesus - the ultimate gift of love. The Feast also honours the work and mission of the OLSH sisters who founded our school in 1955.

Next Thursday all student will be getting their **Term 1 and 2 Reports**. These reports are a summary of your child's achievement for this semester. It is only one means by which we communicate student progress. We hope the report provide an opportunity to celebrate learning growth and achievement and then help look at steps for further development over the rest of the year. Student Led Conference will take place early in Term 3.

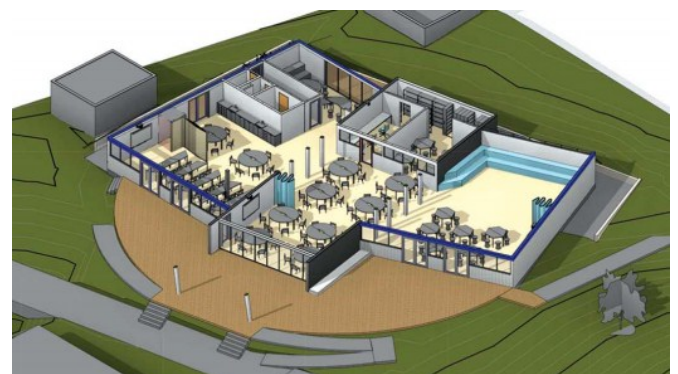

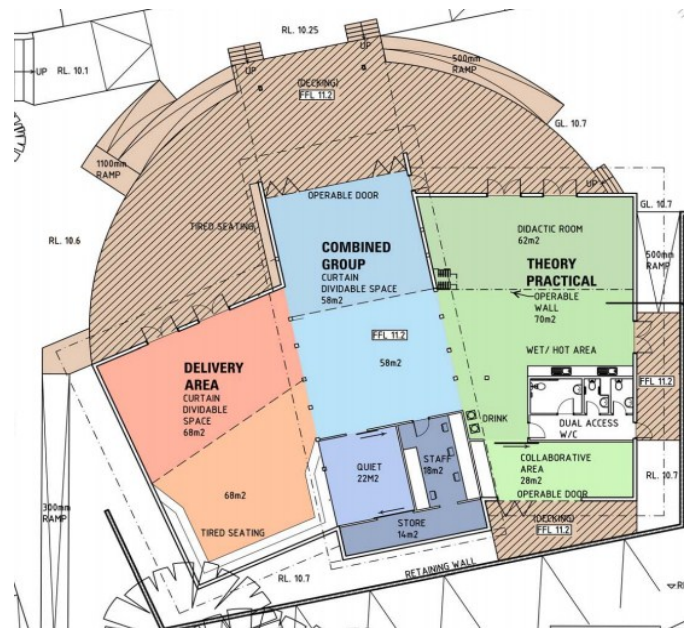

I wish to pass on our **congratulations to Maestro Dina** who has worked for the last few years on writing the new Australian Languages Curriculum for Italian. This new curriculum has just been released for use by the Federal Government.

The term ends next Thursday 3rd July at 3:15pm. The day is a Casual Clothes Day - students are asked to bring in a gold coin donation to support the Vinnies Winter Appeal. Also on this day the Community Group are hosting a Disco for students. Thank you! Have a great holiday and thanks for an amazing term.

Best Wishes from Stuart

Building update - we are currently at costing for the re-development of the Village area. We are still working towards a Term 4 Project, which will see us in the new building at the start of 2015.

We would love to hear your thoughts, questions and ideas as we work together to see the development of contemporary learning spaces for our students.

Gory Stories from the putrid past

The eminent barber surgeon, Mr Bartholomew Mortimer Wonderbottom, assisted by the 'Florence Nightingale' of Shropshire, Lady Sarah Dunnyville are coming to the South Australian Maritime Museum to conjure up some tales of plague and pestilence on the high seas. Watch them and their crew of rather unwell, scurvy-ridden sea dogs take their young passengers on a sail through history on board HMS *Rancid* to laugh and learn about 'gory' ailments and their even 'gorier' remedies. A hilarious history of the ghastly goings on during the age of sail!

SA Maritime Museum: 126 Lipson Street, Port Adelaide. Program runs at 11am and 1pm, weekdays only during the July school holidays. No bookings required. Entry part of normal admission charges:

\$10 adults, \$8 conc., \$5 child or \$25 for a family. For further information call the Museum on 8207 6255.
