MSEA's annual Champions for Children dinner celebrates those individuals and organizations volunteering in our classrooms. They support us daily with their time, ideas, and hearts. This is the one special evening each year we express our appreciation.

Please take a few minutes to nominate individuals and organizations that volunteer in your school.

This year the Champions for Children Committee will celebrate 10 volunteers from around the district. The winners, nominators, and their guests will be invited to attend our awards dinner along with the MSEA President, Executive Board and guests.

If you want to nominate an individual or organization, please complete and submit this form.
