Directions:

1. Parents/guardians of **ALL** new students must complete this form at the time of enrollment and record all information requested. *Provide interpreting services whenever necessary.*
2. Ensure that all questions on the form are completed. If any of the above questions have a language other than English listed in the response column, make a copy of the original and forward it on immediately to your ESL teacher. Once received, the ESL Program staff will review the responses, interview the parent as necessary, and/or the student to determine the home language. If the parent lists more than one language other than English, the reviewer must determine which one is the child's home language for data collection purposes and document it on this form below.
3. Place the original form in the student's cumulative folder.

Determination (ESL Teacher ONLY)	ESL Teacher Name:
If the student's first or home language is other than English, the ESL Teacher will investigate to make sure that the form was filled out properly and that the student does not speak English regularly at home. If the HLS is found to be accurate, the English language proficiency test should be administered unless proper documentation is found that child was tested in a previous school district (if a transfer) and that testing medium complies with NC testing standards for LEP students.	First/Home Language: Administer the English language proficiency test? Circle: Yes or No
