Term 4 Week 7

20th November 2015

**This Sunday is the feast of Our Lord Jesus Christ,
King of the Universe - Year B**

This Sunday's Gospel reading is from John 18:33-37

You say that I am a king.

'Are you the king of the Jews?' Pilate asked. Jesus replied, 'Do you ask this of your own accord, or have others spoken to you about me?' Pilate answered, 'Am I a Jew? It is your own people and the chief priests who have handed you over to me: what have you done?' Jesus replied, 'Mine is not a kingdom of this world; if my kingdom were of this world, my men would have fought to prevent my being surrendered to the Jews. But my kingdom is not of this kind.' 'So you are a king then?' said Pilate. 'It is you who say it' answered Jesus. 'Yes, I am a king. I was born for this, I came into the world for this: to bear witness to the truth; and all who are on the side of truth listen to my voice.'

*Almighty ever-living God,
whose will is to restore all things
in your beloved Son, the King of the universe,
grant, we pray,
that the whole creation, set free from slavery,
may render your majesty service
and ceaselessly proclaim your praise.
Through our Lord Jesus Christ, your Son,
who lives and reigns with you in the unity of the Holy
Spirit, one God, for ever and ever. Amen.

Japan Day Year Five

On Thursday the 19th of November, Year Five had a great day when the year 9 and 10 students from Gilroy came to OLOL and taught us about Japan.

We completed activities such as making rice balls and origami. At the origami station we could make a ninja star, a paper crane, a dog or a frog. We also learnt how say many things in Japanese. We learnt how to count from 1 to 10, some greetings and names of body parts. It was fun when we got to sing a song about the days of the week in Japanese.

Swimming Lessons – Years Kindergarten to Four

In Week 3 of this term, a note went home to all students in Years Kindergarten to Four regarding the Swim and Survive program that is taking place at Coulter Swimming Centre. This program will take place every day for all grades involved from Monday, 30th November to Friday, 11th December. If you have not received a note regarding this event, spare forms can be collected from the school office.

Another note will be sent out closer to the starting date of the program, reminding children what to wear and bring each day for the swimming program.

If you have any questions regarding the program, please feel free to contact Mrs Drumond at the school.

AFL Years K-6

The AFL is hosting a 4 week after-school AFL program for Our Lady of Lourdes students in Years K-6 on Fridays starting in Week 7. The program is completely optional for children/parents to participate in and is designed to give students a taste of AFL and then provide them with the information necessary to join their local club for further involvement in AFL.

The sessions will run from 3:25 to 4:25pm at Yattenden Oval. The sessions involve various skill games and activities deriving from a number of sports and the children will participate in age appropriate groups.

The AFL will provide free 30min sessions for K-2 classes during Week 6 in school time to show students the type of games/activities involved in the program. The students are then given their invitation and instructions regarding how to register online.

For Years 3 to 6, the AFL will briefly talk at an assembly about the program. Invitations (including instructions on how to register) are distributed to students at this time.

Representative Sports – 2016 Years 5 and 6 Students

In Week One of this term, a note went home to all the current Years 4 and 5 students regarding registering an ‘expression of interest’ for trialling for representative sports in 2016.

It is important to note that these trials are generally for children who display above average ability and/or representative experience in their chosen sport. While teams are open in age it is **strongly recommended that only children of a representative standard in Years 5 & 6 in 2016 be invited to attend.**

Please be aware that registrations for Basketball, Cricket, Softball and Tennis are now **closed**.

All other registrations will still be open until the 5th February, 2016.

2016 Diocesan School Fees

Dear families

As you may be aware, there is still uncertainty around long term government funding for Catholic schools. Indications are that federal government funding for education post 2017 will be linked to the Consumer Price Index (CPI), which historically has been much lower than the education inflation rate. Funding growth linked to CPI will not meet increases in the real costs of schooling.

To maintain our current service levels we will need to increase diocesan tuition fees by 5%. This increase will mean we can continue to fund important initiatives to improve student learning, including:

- literacy and numeracy programs such as Focus180, Reading Recovery, EMU, EM4 and professional learning for teachers and leaders to support the implementation of these programs
- increasing support for students with disabilities, behavioural and emotional needs
- improving our learning spaces, technology and infrastructure
- building new schools and expanding existing schools to cater for new places

Scholarships and fee arrangements

We are committed to ensuring that no child will be refused enrolment due to a family's financial situation. There are a range of scholarship and support programs to assist families including:

- The Bishop Manning Scholarship Fund
- Fee arrangements and discounts
- The Byallawa co-contribution scheme for Indigenous families

Annual Diocesan Tuition Fees - 2016

Annual Diocesan Tuition Fee can be paid upfront at the start of the year or as three equal payments in Terms 1, 2 and 3. Flexible payment plans are also available around weekly, fortnightly or monthly payments. The fee is only charged for the first three children currently enrolled in the diocese. There is no additional Diocesan Tuition Fee for the fourth child attending a systemic school in the diocese or other participating Catholic schools.

Annual Diocesan Building Levy - 2016

The Diocesan Building Levy enables us to continue to maintain all schools to a high standard, and ensure we can expand or build new schools in high growth areas. To ensure this continues we will need to increase the building levy by \$33 per family per year. The levy for 2016 will be \$735 per family, payable in three equal instalments of \$245 in Terms 1, 2 and 3.

We continue to make every effort to contain educational costs and we do not take the decision to raise fees lightly. If a school fee increase will be difficult for your family to manage, please contact your school principal. We will provide every assistance to families in financial need.

Thank you for your ongoing support of Catholic education.

Yours sincerely

Gregory B Whitby
Executive Director of Schools

Dear Parents/Guardians

Our orders have been placed for general materials for classroom use for 2016. Much of the cost of these items is covered by the School Resource Fee. Below are items that we require you to purchase for your child's own use at school. A number of these items would make ideal Christmas gifts. **It is most important that each item has your child's name on it so he/she can identify and care for his/her property.** Parents are asked to replenish stationery items, throughout the year as the need arises.

Kindest Regards,

Steve Haskins

ASTHMA AWARENESS

16/11/2015

breathe easy this bush fire season | Asthma Australia

Breathe easy this bush fire season

With bush fire season well underway, we are urging parents and school staff to be extra prepared and aware of asthma signs and symptoms.

Asthma Foundation NSW CEO Michele Goldman warned wood smoke poses a serious threat to people with asthma, particularly children.

"Children, the elderly, and people with asthma and other breathing problems are usually the first to feel the effects of smoke," Ms Goldman said.

"Parents and carers of people with asthma need to be on the alert during bush fire season because wood smoke can trigger a flare-up or even a potentially fatal attack," she said.

"During this period it is absolutely vital that people keep taking their asthma medication. We are advising all people with asthma to carry their reliever medication at all times and to take their preventer medication regularly, as it can take some weeks to be fully effective.

"On days when wood smoke levels are high, people should consider the places they intend to visit and weigh up the risks carefully."

For further information visit our **bush fires** page or for asthma concerns phone our on 1800 ASTHMA (1800 278 462).

The NSW Rural Fire Service recommends everyone in bush fire prone areas to put their bush fire plan into place. Current information on the status of bushfires can be obtained on the Rural Fire Service website at www.bushfire.nsw.gov.au or call 1800 679 737.

Tips to reduce the effects of smoke on asthma

Visit your doctor to update your written Asthma Action Plan.

Continue using your preventer medication and ensure you have reliever medication with you at all times.

When there is smoke from a fire in the area, unless you are advised to evacuate you should stay indoors, and close all windows and doors. If you have an air conditioner, switch it to recycle or recirculate.

If you are in your car, put the air conditioner onto recirculate to reduce your exposure to smoke.

If you are exposed to smoke and your reliever medication is not controlling your asthma symptoms start asthma first aid: sit upright and try to be calm, using your spacer give yourself 4 puffs, taking 4 breaths between each puff. Re-evaluate after 4 minutes. If no improvement, repeat the 4 puffs. If your situation does not improve seek medical assistance.

You could **win** an **iPad mini**

Read as many books as you can, tell us why you love them, and you could win one of four iPad minis. The more books you read, the more chances you have to win*. Enter online at www.parra.catholic.edu.au Entries close 5 February 2016.
