

Expression of interest

Museum Education:

A 'study tour' of leading practice at Canberra's cultural institutions

A five day program providing an opportunity for a professional update of current practices and trends in museum and heritage education practice at Australia's national cultural institutions.

9 – 13 July 2012.

Please use this form to notify us of your interest in attending the above program. We will notify you by email of further event details as they are available and the procedures for payment to secure your place. If the event is oversubscribed, the expression of interest forms will be used as the basis for a waiting list according to the order in which they were received.
