

Navne Numre Erhverv

	Publisher: NN Markedsdata	
Access	<p>Via the library's homepage</p> <p>Navne Numre Erhverv is one of many databases in the database collection SKODA</p>	
Language	Danish only	
Contents	<p>The database contains key information on all VAT-registered companies. In NNE you'll find Danish companies' annual accounts – for free.</p> <p>The accounts are in Danish. You might be able to get an English version from the company itself – or translate using Google.</p> <p>Please note, that there might be a difference between annual account (official document from this database) and annual report ('for investors') from company website.</p>	
Search for annual accounts	<p>Choose "Regnskab" (Account)</p> <p>Write the company's name in the "Firmanavn" field. Remember to check the box "Starter med" below: ('Name starts with')</p> <p>Other limiters translated:</p> <ul style="list-style-type: none"> - Street = gade - Zip code = postnummer - Town = by - Phone or fax = Tlf./fax. - <p>Press "Søg" (search)</p> <p>The matching companies will be listed below the search form. Press "Vis regnskab" (show account) for the relevant company.</p> <p>Choose relevant accounts for download.</p>
