

Diana

The Princess of Wales

The late Diana, Princess of Wales was born Lady Diana Frances Spencer on 1 July 1961 in Norfolk. Lady Diana Spencer married The Prince of Wales on 29 July 1981. Family was very important to the Princess, who gave birth to two sons - Prince William and Prince Henry (Harry). After her divorce from The Prince of Wales, The Princess continued to be regarded as a member of the Royal Family. Until the end of her life she was working to help children, homeless people and AIDS sufferers.

The funeral of Diana, Princess of Wales took place at Westminster Abbey on 6 September 1997. It was watched by millions of people on television world-wide. She was a special woman.
