

# PCACS Community Business Directory 2012

## What Is It?

To assist our school families to support each other, the PCACS P&F Association is producing a FREE PCACS Community Business Directory which will provide free advertising for any school families wishing to promote their business or services.

## How It Works

The Directory will be a downloadable PDF file available on the P&F link on the PCACS website: <http://www.pcacs.wa.edu.au>

You can include your business details in the directory by returning this form at the end of any school term.

If you wish to have your advertisement removed from the register, please email to [samepage@iinet.net.au](mailto:samepage@iinet.net.au).

Please return your completed Booking Form via a P&F Box, post it to the School at 386 Wellard Road, Wellard WA 6170 or email the information to: [samepage@iinet.net.au](mailto:samepage@iinet.net.au)

## Advertisement Booking Form

### STEP 1.
