PARENTAL STATEMENT OF COMMITMENT

The Church reminds parents that they are the primary educators of their children, especially in the faith. The parish program does not take the place of parents, but rather assists them in their efforts to share the faith with their children. Parents support the religious education curriculum by participating in parent sessions and working with their children at home. They ensure that their children attend class regularly, are prepared and have done assigned work. Parental cooperation with the catechists promotes the best possible learning experience for the children.

I understand these expectations and will do my part to share the faith. _____
