# FAST TIMES

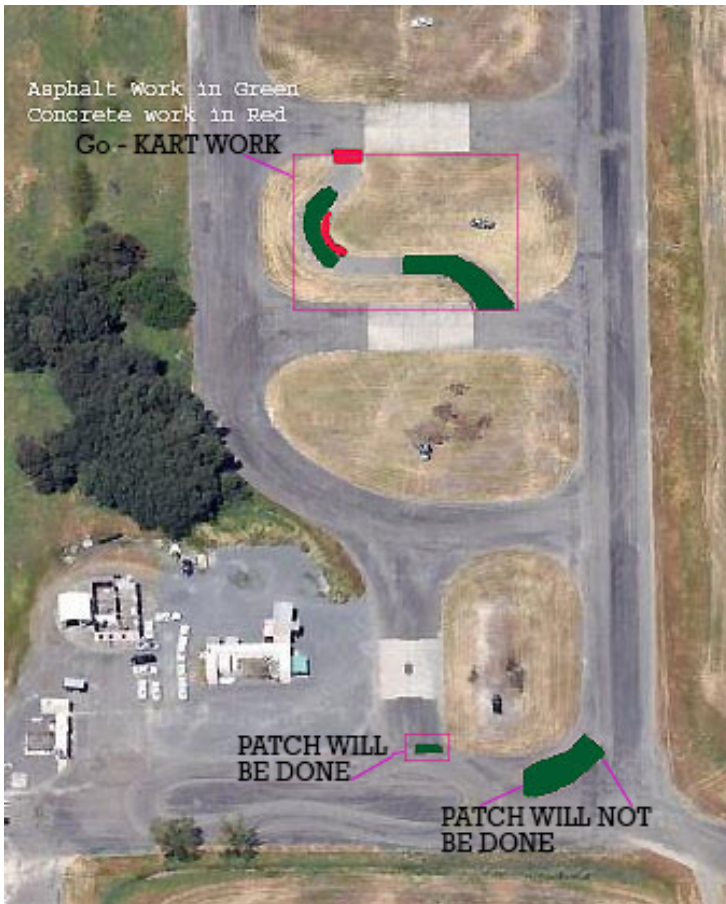

By John Schliemann

I hope everyone has their car ready, with only a few weeks 'till ESCA's first autocross event of the year, which is scheduled for Saturday, March 23rd; I can't wait. Other than an oil change I am so ready to get out there again.

ESCA had a meeting, Tuesday, February 5th. The regular meeting started at 7:00pm followed by our first autocross meeting of the year. Josh and Tom our new autocross chairman did a great job of running the meeting. Lots of talk about the up and coming autocross season.

At the regular meeting, we also had a visitor from the PORSCHE CLUB, Mr. Grady Carter who talked to us about some repairs to the autocross site. Jim Winston has got some bids to repair the go kart section of the track. PCA is asking for ESCA's help to share the cost of these repairs.

(continued in next column)

On February 8th, ESCA had its 4th, and last WINTER GO KART SERIES race of the season at DRIVEN RACEWAY. Joe Masters ended up with the fastest time of the night at 18.6 seconds. I think DRIVEN RACEWAY either tried to slow us down or just changed it up a little. As soon as we arrived they changed the direction of the track, backwards from the last three events that we have had this season. We all did very well with eleven of us finishing in the 18 seconds. It was a large turn out and a whole lot of fun. Thank you DRIVEN RACEWAY!

ESCA is planning the 49TH ANNUAL APRIL FOOLS RALLYE for April 7th, so mark your calendars - this a great event! Be sure and bring your pen, paper, clip board, husband, wife, kids, friends and be there for all the fun.

See ya at the track!

## The Big Switch!

Arriving at the **WINTER KARTING SERIES** finale on February 12th, seemed like the usual deal. It was good to see some familiar faces while I waited to pay. After that, I went around to the 'paddock' area near the pits where people were gathered. Then things got a little curious. They were moving the karts around to face the other direction. We were going to race tonight in the opposite direction!

There were 23 of us, 14 in the under 200 lb. class, 9 above. The usual close racing happened throughout practice, qualifying and final rounds, with only a few forced slowdowns and shutdowns due to the close racing or mechanical failures. Some groups had it better than others, as this takes away laps at speed.

Both classes finished with the top three within 0.2 of each other, and for the third time in this four race series, the under 200 class had a better top time. Dan Clary had top time of the month for **DRIVEN RACEWAY** when we arrived, having practiced earlier in the day. The switch either proved to be too much for him, or he sandbagged because he didn't want

to write this article. Probably the latter. In the three races, he never finished in the top three for the under 200 class. Francisco Chavez took top times in practice and qualifying, Troy Green had great times in qualifying and the race, but the random kart selection probably paid off for me, winning the class.

In the over 200 class, it was a similar story, with Eric Siedentopf taking best times in practice and qualifying, followed by Guy Southern and Josh Davies in practice, and with Josh and Guy switching positions in qualifying. But halfway through the twenty laps of the final, Guy ended up catching Josh and then Eric to hold on to the win.

Thanks to Josh Davies for putting on this series and getting us the discount. Can't wait to see how the points for the series turn out.

Eric Siedentopf 18.83

## LONG, LONG AGO IN PIT STOP

March 1967

On the blue cover was an article entitled "Snow Trip" in which the author Ian Cook wrote about the trip where 33 **ESCA** members went up to Truckee for a weekend of fun in the snow.

An Autocross article informed members that there would be an autocross at the old Naval Air Station, and it would be the last autocross before **ESCA's** first open event the Half Fast 500 in May, stated Autocross Chairman John Malia.

A Rallye article by Rallye Chairman Dana Nelson invited members to become Rallymasters, and stated that Bob Jenkins would be presenting the 3rd Annual April Fools Rallye on April 2nd, with a special class for club members.

Inside was a car word puzzle by Bob Jenkins. A Rumor conformed article stated that the April Fools Rallye would end at the L&L Lanes in Sebastopol and that Bob Jenkins had indeed shaved his beard, but was already growing another one.

An article entitled Historian, stated that a new series in the Historian's book "The Good Ol' Days" was being started and would consist of pictures of **ESCA** members when they were young.

In an article entitled "Tours", chairman Jim Saunders stated there would be a tour to Italian Swiss Colony Winery at Asti, in March.

An item entitled Northern California Sports Car Council Meeting by Ian & Martha Cook gave the highlights of the meeting held in the bay area.

An article entitled "Grand Prix" stated arrangements were getting under way for a club tour to see the movie Grand Prix at a bay area theater.

A new addresses item stated Gerry Mugele was now on the **USS INDEPENDENCE**, George Chalfant Jr. also was now in the service, and Marsha Clowers had moved to Sacramento.

A Funkhana article stated **ESCA's** first Funkhana was going to be held in April in the front Coddington parking lot and would be called Bunny Hop.

## ESCA 50<sup>th</sup> Birthday Party Survey

Please submit this straw vote **by 4-16-13**, at a meeting or by mailing it to **ESCA**, P.O. Box 2242, Santa Rosa, CA 95405. You could also email your responses to the **ESCA** Secretary at: [thebeard@sonic.net](mailto:thebeard@sonic.net) Thank you.

Your 50th Birthday Party Committee (Linda Jurin, Kim Smith, Julie Battles, Brooke Smith, Marci Jenkins) is trying to get an idea of how many of our current members are interested in attending a fun filled evening or picnic to celebrate!

Yes, **ESCA** will be 50 years old on **Saturday, August 3, 2013**, and our party is on that same day!

The party starts off with no-host pre-dinner drinks at 6:00 pm on the patio of **LEGENDS** at the **BENNETT VALLEY GOLF COURSE** in Santa Rosa.

A buffet dinner for \$35.00 per person follows with a program that includes re-visiting **ESCA's** early years.

The party theme is what else? **The 50's**. Members and former members are encouraged to wear their favorite 50's evening wear. There's a rumor that there will be a prize for the best dressed!

The Committee is planning to enhance the evening with 50's music, video of the early days of **ESCA**, other activities (no there won't be any autocrossing) and an **ESCA** Book will be for sale.

This full colored book includes Bob-the-Beard's "Long Ago" columns, photos of members and cars. The book will be sold at cost; which will be determined by how many copies we order.

There is talk about having a tour/picnic the next day on Sunday, August 4th.

This ballot does not commit me to any obligation to attend either event or purchase the book.
