

Re: Arrangements for SSATIS & SATIS Swimming Carnivals

Friday, 19 February 2016

Dear Swim Team Member,

Well done to all team members who attended the trials and initial training sessions.

The SSATIS (Southern Schools) Carnival is fast approaching and is to be held on Thursday 3rd March at the Hobart Aquatic Centre, starting at 10am and concluding at approximately 3.15pm

I have attached a list of event allocations and times as well as an adjustment to the training schedule. All students need to ensure they have both school bathers a school cap for competition. Both are available from the Uniform Shop which is open Tuesday and Thursdays. Failure to wear correct uniform will result in disqualification. Please see Mr Mills if you have any troubles with uniform.

The SATIS carnival (state-wide event) will also be held in Hobart on Wednesday 16th March. The SATIS event will commence at 11.00am to allow northern schools to travel down. And will be completed at approximately 4.15pm. We will be selecting our team for the state-wide carnival from results at the SSATIS carnival, however all students will be required to attend as relay teams will remain unchanged.

For both carnivals, students will be required to attend morning Tutor at school before we depart for the pool via bus. Following the completion of both carnivals, students will be dismissed from the pool, unless other transport arrangements are made (see attached form).

Students are reminded to wear full sports uniform to and from the carnival and to bring plenty of food and drink for the day. Programs should be available prior to the carnival.

Finally, I'd like to announce Caitlin Barnes and Liam Williamson as our Team Captains for 2016. Best of luck to all swimmers and thank you to our coaches, Reo Dante Lazaro and Anne Steele, for all their hard work.

Please return the form below to Mr Mills either at training or school.

Yours sincerely,

Mr Adam Mills
Co-Ordinator of Sport – Secondary
