

## Child Studies 2016

Monday, 7 March 2016

Dear Parents,

Welcome to our Grade 9 Child Studies classroom. We will be covering a variety of topics this year including different types of families, contraception, conception, pregnancy, birth and delivery along with how to care for babies/children.

The first unit of this course covers different family frameworks, contraception and personal sexual health and care, family planning and conception. As part of this unit, students will be asked to participate in two sessions which are delivered by *Catholic Care*. The first will be focused on self-worth, body image and modern society. This will take place on Friday 11<sup>th</sup> March. The second session will focus on current methods of contraception along with personal sexual health and care, held on Thursday 31<sup>st</sup> March. These sessions will be in normal class time and are invaluable for all students.

Parent permission is required for this area of learning; therefore, I ask that you sign the permission slip below indicating your child permission to attend.

Please email [kylie.nelson@shc.tas.edu.au](mailto:kylie.nelson@shc.tas.edu.au) or call me 6279 4090 if you have any questions or concerns.

Kind regards,

Mrs Kylie Nelson  
Child Studies Teacher
