

## Grade 9/10 Food Studies - Wrest Point Excursion

Thursday, 27 March 2014

Dear Parent/Guardian,

Next Thursday, the 3<sup>rd</sup> of April, the Grade 9/10 Food Studies class will be going to Wrest Point Casino in Sandy Bay for breakfast, a tour of their commercial kitchens and a talk on health and safety awareness.

Students will be transported to and from the venue in the College bus, leaving at 9 am and returning at approximately 11 am. The cost of the excursion will be covered by the College.

As this is a formal occasion with the students representing the College they are to be neatly attired in formal school uniform, not tracksuit. Students who fail to comply will have to remain behind.

Could you please complete the attached permission slip and return it to me as soon as possible. If you have any queries or problems with these arrangements please do not hesitate to contact me.

Yours faithfully,

Robyn Thomson  
Teacher – Food Studies
