Camp Staff

Dear Future Campers,

The Greenwich camp is designed to help each camper become a better all around lacrosse player. Our goal is to make sure that all players improve in the areas of stick handling, passing, dodging, shooting and defense. Our organization has been successful at providing players at all skill levels a unique experience.

We attribute much of this success to our staff. During the past fourteen years the Greenwich lacrosse organization has had over fifty college All-Americans, countless high school All Americans, numerous college coaches, dozens of professional players, and several players from the world team join our staff.

This Summer the Greenwich lacrosse program invites you to join one of the Tri-State areas premiere camps.

We hope you can join us and we look forward to providing your child with a positive learning experience and a fun week at camp.
