FIRST ANNUAL LAPS BENEFIT HORSE SHOW

Founded in 1988, the Large Animal Protection Society of Lancaster, Chester, and Delaware counties, Pennsylvania is an all volunteer, nonprofit humane law enforcement agency solely funded through tax deductible private contributions. Large animal humane enforcement very often falls through the cracks between the local small animal humane societies and the police, neither of which have the facilities or necessary expertise.

We are currently looking to network with local and regional equine enterprises, as well as downtown Lititz businesses to help promote everyone's interests.
