I understand that the Program is grant funded and if accepted into the program and the grant is awarded, 80% of the Program cost, that is US\$2000, will be covered.

I understand that if I fail to complete all aspects of the Program, I am required to pay to the Alliance the sum of US\$2000, being the grant funded portion of the cost of the Program. I ***must participate in the training and be actively engaged in the research and export plan development phases of the program; I must participate in all the trade missions; I must-submit annual survey of export results for two (2) years after completion of the program.***
