May 26, 2015

Dear Parents,

Summer is quickly approaching. The attached pages are filled with the information about the field trips and activities we have planned for this summer. The field trips permission slip needs to be returned along with the payment.

The total cost for the field trips and on-site activities is \$100.00.  
Tuition Fees remain the same for the summer!!!

If you plan on being here only one month the cost is \$60.  
(Preschool is paying for the buses.)

This fee is due by Friday, June 5th.

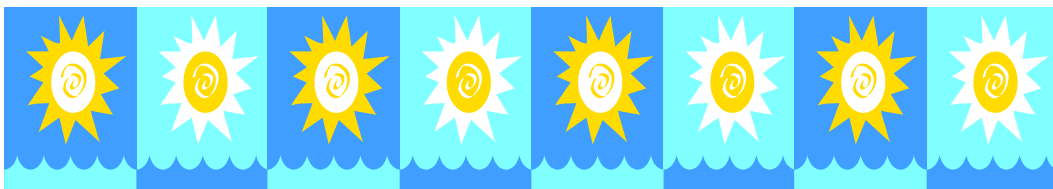

Please sign and turn in the permission slip along with the payment.

Number of chaperones needed and chaperone fees to be determined.

If your child will not be a part of our summer program please inform the office immediately as we need an accurate head count to make payments for our summer activities.

Reminder: You are required to give the office two weeks written notice if you plan on withdrawing your child from the preschool.

If you have any questions, please see the Ms. Dahlia.
