

16 walls going up for the school in Brely. Purchase a block as part of your legacy to leave in Haiti. Once the school is completed names will be engraved on the purchased blocks. Seamless team members can also include the year (s) they were on a team. Purchase a block for one of your children or set up a unit of family blocks which is displayed. This wall is set up by Sr. Eunice who has purchased a part of a wall for her family, most of whom have been on a Haiti Plunge Team. The cost per block is \$10. There is a construction team ready to head for Haiti once the money is raised. It will take about 10 working days to complete the building. If you would like to purchase one as a gift we will provide a gift card. There is also the option of payment via Paypal on our website: www.thehaitiplunge.org
