

Memorial Brick Program
Veterans Memorial at Potter Park
 Fairport, NY, USA

The Veterans Memorial at Potter Park is undergoing renovations. The new design includes an area for the installation of memorial bricks. If you would like to purchase a personalized brick in memory of a veteran who has served in a branch of the United States military, we welcome you to do so by completing the form below. Thank you for your support.

Your Name: _____

Address: _____

City/Zip: _____

Phone: _____

Email: _____

Please complete form below and remit payment as requested.

Please PRINT the information you would like to be engraved on the brick below.

Note: This is a Veterans Memorial. The bricks are intended to honor United States Military Veterans only.

LINE 1: First Name, Middle Initial (Optional), Last Name

The Fairport Foundation, Veterans of Foreign Wars, American Legion and Village of Fairport thank you for your donation.

For military veterans, patriotic symbols -- like our flag -- hold tremendous importance. We fought for that flag and for America's freedom. And too many of our comrades laid down their lives in return.

In Perinton and Fairport, we are blessed with a very special symbol – the Veterans Memorial at Potter Park. It honors the brave service men and women whose sacrifices have kept us free.

Today, our Memorial needs some structural repair. The design committee of the Fairport Partnership has created a beautiful concept that retains the traditional look and offers respectful and appropriate enhancements.

I am proud to serve as honorary chairman of a community fund-raising campaign to restore the Veterans Memorial at Potter Park. Won't you please join me in this unique opportunity to salute our veterans?

Sincerely,

Lucien Morin Sr.
WWII Veteran

*Your generosity helps build community
beyond what government alone can do.*
