Sunday School late arrival notice

Your child _____ arrived at _____ on _____
for School.

Tardiness disrupts classes in session and the student misses important educational information discussed. In addition teachers have difficulty in completing lesson planes on time.

We are working very hard to improve your child's Islamic educational needs. We ask parents to adhere to Sunday school policies. Please make sure students arrive no later than 9:50 am to be part of the Morning Assembly starting at 10:00 am sharp.

We appreciate your cooperation.
