

## **SINGLE ARTIST TATTOO BOOTH RENTAL CONTRACT** **July 22-24, 2016**

YOU ARE REQUIRED TO SUBMIT ARTIST/STUDIO NAME, WEBSITE ADDRESS, AND AT LEAST ONE HIGH-QUALITY PHOTO OF A TATTOO THAT YOU HAVE COMPLETED. NO BRANDING, PIERCING, OR SCARIFICATION IS PERMITTED ON-SITE.

**No sales of any tattoo equipment to non-licensed, non-certified individuals will be allowed at the expo.**

**All tattooing artists will be required to pass gear inspection** on Thursday evening (7/21/16) or Friday morning (7/22/16), prior to the start of the expo. Failure to do so will result in forfeiture of your Single Artist Tattoo Booth reservation without refund or recourse.

All artists understand that they are solely responsible for their inspections and use of appropriate gear (please refer to the terms listed within this contract). It is each artist's sole responsibility to be present for gear inspection at the times posted (TBD). Artists will not be allowed to enter their booths without first receiving prior inspection approval.

All artists must be present and available with gear that is set-up in a ready-to-work fashion for inspection, and must meet all Denver Public Health Department requirements and pay all public licensing fees related to the expo. Failure to pass health inspection will result in expulsion from the expo without refund or recourse.

Tattoo Masquerade™ makes no claims and offers no guarantees as to expo attendance. No painting, nailing, taping, or use of thumbtacks are allowed on any of the Colorado Convention Center's surfaces. All boothholders are liable for their booths and the space within a five-foot distance from the outer perimeter of their booths.

**We strongly recommend the use of pre-sterile and pre-packaged disposable tubes and needles.**

- Each artist must have a state-issued photo ID and a temporary Denver Body Art License.
- Each booth must maintain a written exposure control plan, client release forms, and aftercare forms.
- No food or drink are allowed in the tattoo booths at any time.

- Client chair and work table must be wiped down with a single-use, disposable, EPA-approved tuberculocidal wipe, such as those manufactured by Opti-Cide 3 and CaviCide1.
