## APPLICATION FOR ADMISSION – KMD COLLABORATIVE PROGRAM

Please note that the application to the Collaborative Program in Knowledge Media Design (KMD CP) is an independent procedure that does not supersede the application to a home department. In order to be eligible for enrollment in the KMD CP, you must be enrolled in one of the Program’s collaborating graduate units at the University of Toronto. Consult the individual units for their application and admission procedures. Admission into a collaborating unit does not guarantee admission into the Collaborative Program, nor vice versa.

Please fill in the form and send your completed application to:  
Admissions Officer, KMD Collaborative Program
