

**East Central District
2011 Community Church Conference
Meeting Agenda / Cover Sheet**

Directions: Complete this page and copy it as the cover sheet for the information packets* to be distributed to the members of your congregation attending this church conference. Each congregation attending the Community Church Conference is responsible for bringing its own packets for its members only.

Example: If Church A is attending this gathering along with Churches B, C, D, E, and F, Church A prepares packets only for its own members. Upon arriving at the host church site, members of Church A sign the attendance sheet for their own church, pick up their church's packet and members of the other churches use the same routine.

* In addition to this Cover Sheet Page and the “Voting Matters” Agenda, the individual church “information packet” for church leaders will consist of one or more sheets containing information on the following issues which require a vote:

First, members who are recommended for removal by Church Conference Action (This may include two lists consisting of members being listed for removal for the first time and members listed for the second year and eligible for removal. The first list is for information and the second list for action.)

Second, pastor's compensation package that is recommended by the Staff/Parish Relations Committee with the concurrence of the Church Council. Please list on the “Voting Matters” Agenda page. **(Do not copy your Clergy Compensation Form for distribution. This is to avoid publishing information such as the Pastor's Social Security number which appears on that form.)**

Third, list of nominations from the 2012 Committee on Nominations and Leadership Development with all church officers and committee members to be elected by your Church Conference body (It need not include officers elected by other groups within the church, such as Sunday School Classes, UMW, UMM, etc.)

Fourth, recommendations for Candidacy or continuation of Candidacy for Ministry

Fifth, certification or continuation of Certification for Lay Servant Ministry

Sixth, Missional Vital Signs (MVS) related to the Five Practices of the Methodist Way
