Special Introductory Offer for First Time Distributor Only

50 Items @ \$14.00 per item

After the first introductory offer the distributor has opportunity purchase Tri-Vortex Technology treatments in the following quantities. A pair of earnings is considered one item.

50 Items @ \$18.00 per item

When ordering 50 items, five personal items treated at no charge.

100 Items @ 16.00 per item

When ordering 100 items, eight personal items treated at no charge.

250 Items @ \$14.00 per item

When ordering 250 items, 10 personal items treated at no charge.

500 Items @ \$12.00 per item

When ordering 500 items, 15 personal items treated at no charge.

Oversize items such as bedspreads and towels will have a quoted surcharge per item.

Suggested Retail Prices

The distributor is recommended to set the retail price at 75 to 150 percent over the combined cost of the material and the charge for the Tri-Vortex Treatment. For example, if a scarf costs \$5.00 and the treatment charge is \$18.00 on a 50 Item order the total baseline cost to the distributor is \$23.00 therefore the retail cost is between \$40.00 and \$57.00.

Option One.

Distributor purchases a minimum of 10 lasers @ \$200.00 per laser plus s&h.

Option Two

Distributor purchases two lasers as demonstrators only for \$700.00 that includes shipping and handling.

1. Distributor **sells** one laser for \$410.00 that includes shipping and handling charges.
2. Distributor e-mails address, telephone number and email of customer.
3. Distributor's Visa, MasterCard or Discover Card is charged \$230.00.
4. Laser is shipped priority mail or Fed-Ex ground within 48 hours.

Add \$30.00 to each order if customer desires next day delivery. Delivery charges for outside of U.S. billed to credit or debit card of distributor. However, please call to confirm that items are in stock.

All laser orders must include address and telephone number or email address of customer. All laser orders charged to Visa, MasterCard or Discover Card of the Distributor. **No checks** for laser orders therefore, the customer will receive lasers in prompt and timely manner.

When an individual purchases 50 or more items or treatment services, they qualify to purchase green lasers at \$200.00 per laser.

Distributors are encouraged to provide finder fees for customers who buy green lasers and refer future customers to the distributor. For example, the distributor pays an individual \$25.00 for referring a new customer and the distributor earns \$75.00.

Supporting the Motivated Distributor

Tri-Vortex Technology supports the distributor that purchases large quantities to create their own down line of distributors. As one can see by the numbers on page one that a distributor purchasing more than 500 items per order can assemble a 50-item package for a down line distributor at a better price than is offered by Tri-Vortex Technology and still make a good profit.

All customers and potential distributors contacting Tri-Vortex Technology will be required to state how they came to be aware of Tri-Vortex Technology. Individuals stating they heard about Tri-Vortex Technology via an established distributor will be directed to contact the named distributor for purchase of any product for any amount.

Distributors purchasing at least the 50-item package and do not want to create their own down line can refer individuals to Tri-Vortex Technology and receive a one-time finder's fee of five percent of the initial purchase amount by the referred person.

Shipping

All distributor orders shipped via Federal Express Saver - three business days unless requested otherwise. Distributors must provide Tri-Vortex Technology a Fed-Ex number.

Thank you for your support.

Yours in Health & Blessings,

Brian
