27th September -

2014

Welcome to the 2014 Bendigo Bank Southern Art & Craft Trail.

Winner of the 2010 Premier's Australia Day Active Citizenship Award for an Event.

We love this time of year...the excitement of the adventures ahead...meandering through the Great Southern with friends and family, seeking out hidden treasures, stepping inside an artist's studio and exploring the multi-layered venues – wineries, homes, cafes, shops, district halls and pop-up galleries – presenting an array of exhibitions. The exhibitions you will see range from experienced, professional artists to those who work part-time or as a hobby, all willing to share their creativity with you and welcome you into their creative spaces.

The Bendigo Bank Southern Art & Craft Trail is in its 12th year. This event continually draws communities together, enriching the cultural fabric of our diverse region, and inspires and strengthens connections between us.

WELCOME MESSAGE

Bendigo Bank Southern Art and Craft Trail 2014

Welcome to the Bendigo Bank Southern Art and Craft Trail 2014.

Over two weeks, visitors will be able to enjoy art exhibitions, open studios, workshops, demonstrations, artist talks and public art displays at around 65 venues in the Great Southern region.

More than 250 artists will take part in this annual event which takes place in several of the region's towns including Albany, Denmark, Mount Barker, Kojonup, Franklin River, Walpole and Porongurup.

The State Government is proud to support the Bendigo Bank Southern Art and Craft Trail through Tourism WA's Regional Events Scheme, which is jointly funded by Royalties for Regions.

Tourism is vital for regional Western Australia. In 2013, total visitor spend in the State was \$7.7 billion, \$3 billion of which was spent in regional WA. In addition to this huge economic impact, tourism delivers social and cultural benefits for many regional communities.

The State Government's goal is to see the contribution of regional tourism increase to \$4.75 billion by 2020.

Regional events such as the Bendigo Bank Southern Art and Craft Trail play an important role in the State Government's strategy to achieve that goal as they attract visitors, help promote a region through media exposure and add vibrancy to regional towns, making them exciting places to visit, as well as great places to live.

We would like to congratulate everyone involved with organising this fantastic event and hope you enjoy your time in the Great Southern region.
