December 2015

Dear Local Branch Member

Nominations for the Good Beer Guide have now closed and the list of potential entries is enclosed.

We now need as many Beer Quality scores as possible added to the CAMRA website *WhatPub* for these pubs, **but by Sunday 31st January 2016 at the latest**, in order to ensure as many as possible are eligible for consideration for the guide at our Selection Meeting in February.

The *WhatPub* website can be found at: <http://whatpub.com/>

All members are welcome to attend the Selection meeting on Tuesday 9th February 2016 but if you are unable to, you can still vote for your choice of pubs for inclusion in the guide using the Email / Postal Voting Form. Detailed instructions for filling in the form are also included; you can only vote for the nominated pubs on the list and you must have visited the pub in the last 12 months.

You will also find forms for Branch Pub Of The Year (POTY) and Branch Club Of The Year (COTY) on which you can vote for your favourite nominated pubs and clubs in the branch area.

For Pub of the Year the eligible pubs have been split into three bands; Market Drayton, Telford and Bridgnorth from which you can vote for up to two pubs in each band. Please list in order of preference the clubs that that you would like to vote for. Once again you can only vote for those pubs and clubs you have visited in the last 12 months.

Yours sincerely and cheers!

Note: If you are not receiving email outs and notifications of branch events and would like them in future, please supply our Membership Secretary Paul Jones with your email address

Please send an email to him at: paul.jones@caskale.net

Notes for the Voting Form

You will find enclosed with this sheet a voting form. If you have a joint membership and only one voting form is included, then please feel free to copy the one you have.

Please enter your name and membership number, without both of these the form will be disregarded.

The next section is where you can record your Pub of the Year (POTY) votes. You can vote for up to 6 pubs, 2 from each area

Also included is the section dealing with Club of the Year (COTY). Like previous years there is no list of clubs, so what we are asking you to do is come up with up to three clubs within our branch area that have a good commitment to real ale and CAMRA's general policies. Place them in 1/2/3 order on the form.

NOTE: **voting for POTY & COTY is by email or postal voting only**
 There is no voting for POTY & COTY at the February selection evening

The final section can be used to select which of the shortlisted pubs on the enclosed nomination list you would like to see included by the branch in the 2017 Good Beer Guide. If you intend coming to the selection night you can vote on the night and do not have to complete the GBG Selection part of the form.

To show which pubs you wish to select please enter in the boxes the number shown against each of the pubs chosen. Each member is allowed to up to 26 votes, but since some of the entries on this list may become ineligible by the selection night (due to lack of visits and/or beer quality) you can enter up to 30 pubs on the form. If you do so, when the final list is known only your first 26 entries that qualify for selection will be counted. Therefore it is important that when recording your choices you place them in your preferred order starting at the top left box and continuing across the form so that the top line of boxes contain your selection 1 to 10, use the second line of boxes to record entries 11 to 20 and the third line for entries 21 to 30.

You should only vote for pubs on the list that you have visited in the last year

The return address and deadline are shown on the bottom of the form.
