

Exemplar Reader Certification

Exemplar Reader is a benchmark that encourages students to read books written at a level of complexity defined by the Common Core State Standards as the goal for their grade band. To “certify” as an Exemplar Reader, students read at least four books that appear on the exemplar lists in Appendix B of the Common Core standards—or texts of similar complexity that you identify—and accumulate a certain number of points by passing Accelerated Reader™ quizzes. Striving for Exemplar Reader motivates students to tackle complex text and helps you assess their ability to comprehend it.

How Exemplar Reader Certification Works

On a certification form for each grade band, we provide the titles of books on the exemplar lists for which we have quizzes, along with their ATOS™ book level and point value. (To see the complete list of exemplar texts, go to www.corestandards.org/assets/Appendix_B.pdf. Certification forms are attached to this document.) ATOS book level is a quantitative measure of text complexity. It reports the readability level of the text, that is, the difficulty of the vocabulary and the text structure. Points are an indication of a book’s length. For example, an eight-point book is roughly twice as long as a four-point book.

To certify as an Exemplar Reader, students must meet the criteria for their grade band, which are noted on the next page and on the certification forms. Students choose books from the list provided on the form. You may add texts that you have decided are similar to the exemplar texts for your grade band. If you do add a text, you can use AR BookFinder™ at ARBookFind.com to see if an Accelerated Reader quiz is available and identify the book’s ATOS book level and point value. If you add a text that does not have a quiz, you will need to develop another way to assess comprehension—through an activity, for example, or a teacher-made quiz.

After reading a qualifying book, students take the AR™ quiz and write the quiz date, quiz score, and number of points earned on the certification form. You can double-check the data by viewing the software’s Class Record Book or the Student Record Report. Once a student meets the criteria, we recommend that you celebrate his or her accomplishment with, for example, a certificate or a special label for the student’s reading folder.

Accelerated Reader Enterprise Student Name _____

Exemplar Reader Certification

Grades 6-8

Read four books independently and pass the quizzes. Earn at least 10 points from a mix of informational texts, stories, and drama. At least one book must be worth five or more points.

Title	Author	ATOS Book Level	Points	Quiz Date	Quiz Score	Points Earned
Informational Texts: English/Language Arts						
Harnet Tubman: Conductor on the Underground Railroad	Ann Petry	6.6	8			
Narrative of the Life of Frederick Douglass an American Slave, Written by Himself	Frederick Douglass	7.9	7			
Travels with Charley: In Search of America	John Steinbeck	6.7	13			
Informational Texts: History/Social Studies						
A Night to Remember	Walter Lord	7.0	8			
A Short Walk Around the Pyramids and Through the World of Art	Philip Isaacson	6.7	1			
Freedom Walkers: The Story of the Montgomery Bus Boycott	Russell Freedman	7.7	3			
The Great Fire	Jim Murphy	7.6	4

Important Things to Note

There are many texts on the exemplar lists that do not have AR quizzes—speeches, poems, journal articles, essays, and political documents. Because we cannot provide an assessment for these texts, we don't include them on the certification forms. We also do not include read-aloud texts. This is because the ultimate goal of the Common Core standards is for students to read complex texts independently.

The texts chosen by the authors of the Common Core as exemplars are challenging. For example, you'll see that the ATOS level of the texts for grade band 2–3 ranges from 2.3 to 5.6. This indicates the level of complexity the Common Core says students must engage with by the end of this grade band, and many students will need to work up to it.

Not all reading needs to be at this difficulty level. The Common Core clearly states that while students need to be able to read texts similar to the exemplar texts, they also need extensive practice with books that they select themselves and can comfortably read and enjoy—in other words, books within their ZPD. Make sure students get plenty of this critical reading practice.

Exemplar Reader is part of an optional reader certification system powered by Accelerated Reader. Beginning with emergent readers, students can certify at various levels by meeting specific requirements related to the quality, quantity, and difficulty of their reading practice. Each level represents a significant stage in a student's reading development. Except for two specialty levels, Exemplar Reader and Honors Reader, certification is tracked by the software. For more information, see the Resource document *Criteria for Accelerated Reader Reader Certification Levels* or our teacher guide, *Getting Results with Accelerated Reader*, which is available in electronic form and as a free download on our website.

Grade Band	Exemplar Reader Certification Criteria
K–1	Read four books independently and pass the quizzes. Earn at least two points from a mix of informational texts and stories.
2–3	Read four books independently and pass the quizzes. Earn at least five points from a mix of informational texts and stories. At least one book must be worth one or more points.
4–5	Read four books independently and pass the quizzes. Earn at least seven points from a mix of informational texts and stories. At least one book must be worth three or more points.
6–8	Read four books independently and pass the quizzes. Earn at least 10 points from a mix of informational texts, stories, and drama. At least one book must be worth five or more points.
9–10	Read four books independently and pass the quizzes. Earn at least 15 points from a mix of informational texts, stories, and drama. At least one book must be worth seven or more points.
11–CCR	Read four books independently and pass the quizzes. Earn at least 20 points from a mix of informational texts, stories, and drama. At least one book must be worth eight or more points.
