E. After discussing the syllabus with your student, list the top two personal goals you and your student have for this class:

1. \_\_\_\_\_

2. \_\_\_\_\_

**Note to Parents/Guardians:** In order to ensure the finest photographic experience, a \$30 lab fee is charged per student per semester. Please be sure your son or daughter pays this fee as soon as possible so that I can purchase the supplies needed for the course. I also require that each student have access to a digital camera. *Students don't have to purchase a camera, however.* Often it is possible to borrow one from a family member or friend. Still, there always seems to be several students who have difficulty obtaining a camera. We have a decent collection of "loaner cameras" for these students. If you or anyone you know might have an older digital camera or 35mm camera in good working condition that you'd like to donate to our program, please contact me. If you have any questions, please feel free to e-mail DeMieroV@edmonds.wednet.edu or call me at 425.431.7776 or 425.431.5620. Please sign above to indicate that you have read this note. If you would like to share any concern via this sheet, please feel free to do so below. ~ Vince DeMiero
