# We are the ANA.

The American Nutrition Association® (ANA<sup>SM</sup>), is a 501c3 charitable non-profit. Since 1972, we've been on a mission to promote optimal health through nutrition and wellness education.

We advance health by providing evidence-based nutrition programming, including presentations from such luminaries as Nobel Laureate Linus Pauling PhD, Jeffrey Bland PhD, Russell Jaffe MD, PhD, and Loren Cordain PhD.

We are a rich information source and a vibrant community. With help from evidence and experts, we inform. With help from you, we create community.

# When you join us, you are the ANA.
