**PLEASE READ THIS DOCUMENT BEFORE RATING THE STUDENT.**

Please rate the student on a scale of **0 to 5**. A rating of "5" means that you highly recommend the student for membership in the National Honor Society and you believe that the student is the type of student who belongs in NHS. Giving a student a character rating of **5** does not mean that the student is perfect—it means that their character is excellent and is in line with the guidelines of character given to you by the NHS Faculty Council.

\*If you give a rating **lower than 5 in character**, an explanation of your rating **must be included on this form**. (Student must have a minimum of **4.75** in character and a **4.0** in leadership when the 5 teacher ratings are averaged together.)

Leadership does not mean that the student is a vocal leader in the classroom; please remember that leadership can simply be on-task and role-model behavior.
