Dear Production Company:

Here are the permit forms for filming in El Dorado County. Our basic permits are designed to ensure that your project "shoots" as planned. Although we require a simple permit for all projects shot in El Dorado County, there are no county permit fees.

It is essential that both:

The El Dorado Tahoe Film & Media Office is here to work with your company, to provide business referrals and act as a liaison between business, government agencies and individuals. Please do not hesitate to contact our office if you have any questions/concerns or require further information.*
