RE: Donation on behalf of (Hero name)

To Whom it May Concern,

The Homes for Heroes program affiliates with generous, community minded real estate agents who agree to give significant rebates and discounts to those who serve our nation and its communities.

In some circumstances our heroes are unable to take advantage of the full amount of the rebates on their real estate transaction. In those cases, our real estate affiliates agree to donate the unused portion of the rebate to the charity of the hero's choice. In this instance, that charity is your organization.

On behalf of (hero name) and Realtor, (Realtor name), we are proud to present your organization with the enclosed check.

Warmest regards,

Ruth M. Johnson
