## Energy Source Cost-Benefit Analysis Self-Assessment

### KNOWLEDGE AND UNDERSTANDING:

	Yes	Not sure	No
I identified and explained costs associated with electricity production			
I identified and explained benefits associated with electricity production			

Evidence to support my rating: \_\_\_\_\_

Teacher notes: \_\_\_\_\_

### THINKING AND INVESTIGATION:

	Yes	Not sure	No
I located electronic sources relevant to the research			
I can justify the costs and the values we assigned to each cost			
I can justify the benefits and the values we assigned to each benefit			
My overall assessment was reasonable and based on cost/benefit data			

Evidence to support my rating: \_\_\_\_\_

Teacher notes: \_\_\_\_\_

### COMMUNICATION:

	Yes	Not sure	No
Our chart is well organized			
Our calculations are all done accurately			

Evidence to support my rating: \_\_\_\_\_

Teacher notes: \_\_\_\_\_
