

Dear Coach:

On the next page you will find a lineup form you can use to plan your teams next game. You can print it and fill it out by hand or you can fill it out on the computer and then print it. Just click on the blank you want to fill in and start typing. You can tab from one blank to the next if you want or fill out selected blanks by clicking on them one by one.

I personally expect to fill out just a portion of the form online--things like players' names and jersey numbers and information about the game. I'll do the rest on the field. Do whatever is convenient for you.

Please do print out an extra copy and give it to the referee. It will make the refs job much simpler.

Thanks.
